I have been asking for a long time that—
the various standing committees should meet
more often — ^{I should say} at least six times a year.
I trust this suggestion will be carried out at
least in future.

9 Standing Committee

I regret to note that the various Standing Committees have been meeting¹³ seldom, some or not meeting at all.

10 This is not satisfactory & exposure as to legitimacy of existence.

11 I should like to see a rule laid down that they meet at least 8 (or more) times a year. The Secretary concerned should be held responsible for arranging the meetings. Please consult the members as regards the minimum number of meetings to be presided for every year.
